

The Field of Dreams Academy is very excited to present our 2014 fundraising events.

On October 26, 2014, we are hosting our annual "*Teeing It Up Future Leaders*" golf event at the Bear's Best Atlanta Country Club.

The tournament — provides a great setting for Atlanta's most influential business leaders and professionals to network and support a great organization -- begins at 8 a.m. with range practice and a continental breakfast. Golfers of all levels will play Jack Nicklaus' best 18 holes from his course designs all over the world! There are prizes and contests on every hole; a golf clinic for beginners; a silent auction; box lunches; and a 19th hole reception.

On November 8, 2014, we will celebrate and honor **Tony Dungy, Hines Ward, Earvin "Magic" Johnson and Cam Newton** as our 2014 *Dreams Do Come True* honorees.

This award is given to them for sharing their success with the community, so future generations can achieve their dreams. We recognize their dedication, and compassion to promote education and community empowerment to our youth! The awards luncheon will be held at

The funds raised from these two events will go towards the organization capital campaign to:

- expand academic and athletic enrichment programs
- provide more scholarships and financial assistance for our student-athletes
- build the new Center of Excellence and Sports Complex.
